Points are awarded , 20 pt for the runner furthest inside their Target Time, `9 pt for the next, etc.

Where no Pts are shown, the runner is either a new starter in the handicap, or is returning to the

Handicap after at least 1 calendar year's absence, and so has no target time. 3 Pt are awarded in either

All entrants also receive 2 Attendance Points

The April handicap suffered from a congested timetable. With Paul marshalling us for a photo, there was little time to explain the Summer Course to newcomers. Apologies to any who found themselves adrift (though on dry land) on the riverbank.

Gayle took two newcomers around the Winter Course, They have been credited with times, as above, from past results, we believe the two courses to be closely comparable.
